

# CDL WARNING SYSTEMS

RESIDENTIAL COMMERCIAL INDUSTRIAL

CDL represents Whelen Mass Notification Products, the premier manufacturer in warning sirens and voice communications. Whelen products include all-weather warning sirens at an economical price that provide high-powered amplifiers with enough sound for any warning situation. Whelen also has products to deliver clear, powerful voice communications, too!

Why Whelen for warning systems?

**Superior products to get warning tones or messages out to help keep people safe**

**Included pre-set tones or messages**

**Battery back-up to provide power in any situation**

**Mobile link allows remote monitoring/control with your phone or computer**

**Superior installation and maintenance from CDL professional electricians**

CDL began in the electric business in 1964 and over the years has expanded with twelve additional divisions to meet the needs of home owners and businesses in the 4-state region. With offices in Southeast Kansas and Southwest Missouri and crews throughout the country, one call gets CDL professionals to create solutions for you.
